FIRST ANNOUNCEMENT AND CALL FOR PAPERS

LABAT is a globally recognized scientific forum gathering leading battery experts, technologists and academic researchers from all over the world. LABAT’2020 technical sessions will once again offer you an insight into the latest research achievements and development trends in the field of lead-acid battery manufacture, operation and recycling, as well as an in-depth discussion of the new challenges facing lead-acid batteries, while the exhibition fair will present a perfect opportunity to showcase your new products and services. LABAT’2020 will be held in the magnificent Golden Sands resort on the Bulgarian Black Sea coast.

CONFERENCE FOCUS AREAS AND TOPICS

- Fundamentals of Lead-Acid Battery Electrochemistry
- Advances in Lead Battery Technology, Manufacture and Recycling
- Innovations and New Materials for Lead-Acid Batteries
- Advanced Lead Batteries for Automotive and Energy Storage Applications
- Battery Management Systems, State-of-Charge, State-of-Health
- Modelling and Simulation of Lead-Acid Battery Systems

ORGANIZED BY

Lead-Acid Batteries Department, Institute of Electrochemistry & Energy Systems, Bulgarian Academy of Sciences

CALL FOR PAPERS
Authors who wish to contribute a lecture/poster are requested to send the proposed title and a 75-word Short Abstract (in English) to the Conference Secretariat by October 30, 2019.

CONFERENCE PROCEEDINGS
All delegates will receive a hard copy of the Volume of Extended Abstracts of all papers submitted for presentation at LABAT’2020.

TECHNICAL PROGRAMME
Original unpublished papers, critical reviews, state-of-art reports will be accepted for oral and poster presentation. The time for an oral presentation will be 20 min plus 5 min for discussion.

EXHIBITION
An exhibition fair will be held adjacent to the conference area, where battery makers and suppliers of materials, equipment and technology for the battery industry will display their products and services.

GASTON PLANTÉ MEDAL
The Gaston Planté Medal will once again be awarded to an outstanding battery expert, selected by an International Committee, in recognition of his/her significant contribution to the development of lead-acid battery science and technology.

CONFERENCE FEES
The Registration Fees (in EUR) covering access to all conference sessions and to the exhibition, conference materials, Extended Abstracts Volume, get-together cocktail party, conference banquet, refreshments, coffee/tea and luncheons on all 4 days of the conference are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Before 15.03.2020</th>
<th>After 15.03.2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>for manufacturers</td>
<td>EUR 1250</td>
<td>EUR 1450</td>
